7 Impressive Wines for Sipping Al Fresco This Fall

| BY HANA-LEE SEDGWICK OCTOBER 2022

KIMSEY Grenache

The stunning 22-acre Kimsey Vineyard, situated in Ballard Canyon, is a prime location for growing Rhône grapes, which winemaker Matt Dees makes into beautiful wines of power and grace. Though syrah dominates its acreage, Kimsey's grenache shouldn't be overlooked. Offering notes of red fruit, rose petal, cigar box, and pepper, this striking wine has a silky texture and persistent finish that's hard to resist. Serve it alongside barbecued meats, such as grilled lamb, pork or sausage, to impress your friends at your next gathering.
